Dear Mayor O'Renack:

RE: RCRA Facility Assessment for Armco

Enclosed is a copy of the RCRA Facility Assessment Report for the Armco, Inc., dated January 14, 1992. This assessment is a beginning step for investigating past disposal practices on the Armco property. The Department of Natural Resources is reviewing an application for a RCRA permit for care of the closed landfill at the site and for use of storage tanks for holding dusts. That permit can be conditioned to include further investigation of disposal practices on the property.

If you have any questions on the report, please call me at 314-751-3176.

Sincerely,

HAZARDOUS WASTE PROGRAM
